

RODNEY AKILENG

(Experiential Sparks)

**Team building Coach
Experiential Engagement Consultant**

Professional Summary

Rodney Akileng is a corporate team building facilitator specializing in the design and delivery of structured experiential learning programs that strengthen team collaboration, communication, and leadership. He has over **5 years of experience** facilitating team-building engagements for corporate organizations and NGOs, working with diverse teams across different sectors.

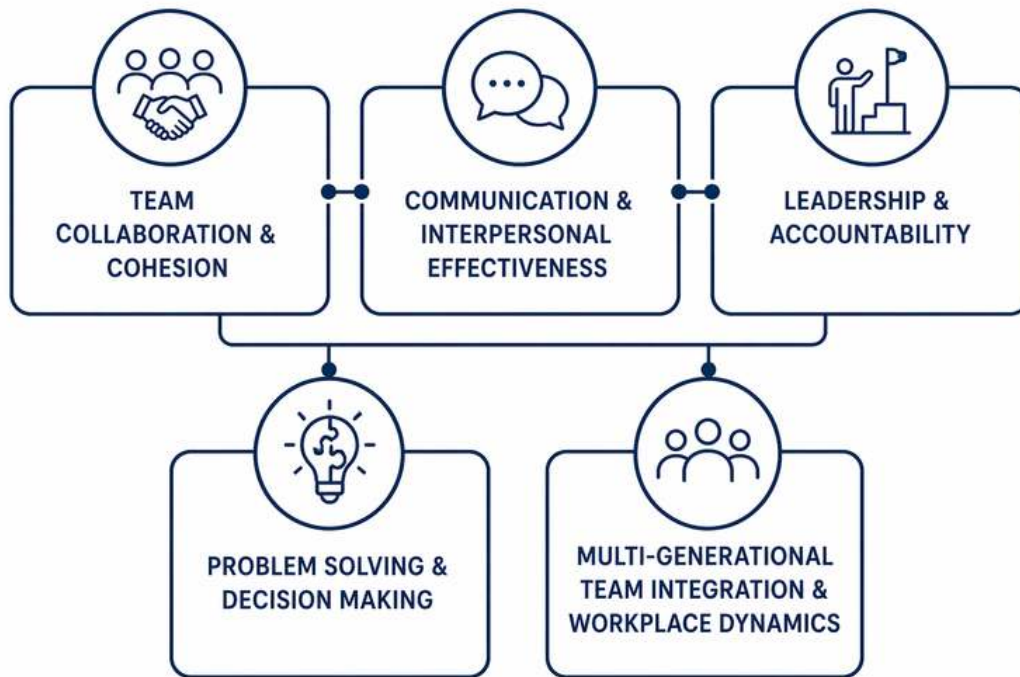

Facilitation Approach

With a background in **English and Literature**, Rodney integrates narrative-driven facilitation into his sessions, using structured **storytelling** and **scenario-based** learning to create relatable, real-world experiences. This approach enables teams to better understand group dynamics and apply key insights within a workplace context.
